Dear Parents,

Another school year ends and they seem to go quicker the older you get - so watch out all you youngsters!

It's with great excitement and also a few tears that we say goodbye to our Y6s today although, in a wonderful school tradition, I am sure we will see a lot of them coming back in the evenings next year to tell us all about their 'big school'. They produced a lovely '*leaving*' assembly on Wednesday at which there wasn't a dry eye in the house as we marvelled at all the talent they have brought to the school and at just how much they have grown up with us.

We also say goodbye and best wishes to Miss Dunne and Miss Eboh and wish Ms Begum from our nursery all the best on her maternity break.

I would like to offer a huge thank-you to the staff for their extraordinary efforts during this last year. As a new head you come in with a job to do and a path you want to travel along and that has involved an awful lot of extra work for staff this year - they, like me, want the best for our children and we have expended all our energy to this aim. I would also like to thank all of our parents - you have been so welcoming to me and as someone who has been involved with a lot of schools, I think I can honestly say you are a magnificent group and we look forward to working with you in an ever increasing partnership going forwards.

Lastly - but most importantly - I would like to thank the children who are an absolute joy to work with. This is a very special school and has been for many years and one of the main reasons for this is the qualities that our children have from family ties and those which are then developed in school.

I hope you all get some peace and rest at some point during the school holidays, that you all have a safe time and I look forward to seeing you again on September 6th at the usual time.

Best Wishes,

Matt Hipperson
