Dear Parents and Carers,

A big 'Thank you' to everyone who attended their parent meetings on Wednesday and Thursday; they were a great opportunity for both parents and staff to discuss the developments of our children. Our partnership is a real strength of the school and so is our attendance - today we gave out prizes to **95** of our children who have been in school every day this term, that's over **40%**! A big well done to you and your children.

Our *End-of-Term* assembly today saw us not only celebrate our weekly Golden Assembly Achievers, but also the attainment of a small group of children who had shown true grit, determination and a very positive attitude towards their learning and towards their fellow students. A big well done to Etiosa, Biruk, Maame and Tracy. We are all very proud of you.

**Y5 parents:** there is going to be a meeting for you on Wed. 26<sup>th</sup> April between 5-6pm about a possible change to the annual Y6 residential trip. Peter Hillman from St. Mark's College in Saffron Walden is offering us a residential trip with an overarching Christian theme. This talk will let you know about the college and take any questions you might have - all Y5 parents are very welcome.

This week we had an assembly to help us prepare for Easter led by Father Dave - when we come back we will have a service to encapsulate Holy week, you are more than welcome to attend (10.10am).

On that note, a reminder that we start school again on the Wednesday 19<sup>th</sup> April and After School Clubs will restart the following week, Monday 24<sup>th</sup> April.

I wish you a very spiritual Holy Week and hopefully some relaxing time with your children.
