**At St. Luke's we aim to:**

Inspire the pupils to make ethical choices and become agents for change both within their own context and further afield.

Provide an environment where everyone can flourish and have a life enhancing encounter with the Christian faith and Jesus Christ.

Instil hearts of compassion which lead to the service of others both within our own context and further afield.

Provide an excellent, broad-based curriculum that inspires enthusiasm, energy and dedication as pupils fully engage with learning

Provide pupils with a variety of opportunities, including sporting, musical, artistic, technological and cultural activities that facilitate spiritual, moral, social and cultural and growth

Encourage pupils to grow in the in the 'fruits of the spirit' (love, joy, peace, patience, kindness, goodness, faithfulness, humility, and self-control)

Develop a growth mindset, resilience and good mental health and well-being.
