## 30th Anniversary Memorial Service for Stephen Lawrence

On Saturday the 22nd April, three members of the staff from St. Luke's were invited to attend the 30th Anniversary Memorial Service for Stephen Lawrence, who was murdered in an unprovoked racial attack in Eltham S.E. London.

Our Justice Committee had led their own tribute to Stephen's life (guided by the staff pictured) and then, totally

unplanned, at the service they met with Baroness Floella Benjamin, whose life our Y4s had studied as part of our Justice work. Baroness Benjamin recorded a message of hope for our children.
